Supplier Declaration

With this document Heikki Laiho Oy (HELA) declares that all items supplied do not contain any substance(s) included on the EU-REACH Regulation (1907/2006/EU) Substances of Very High Concern (SVHC) Candidate List dated June 27th, 2024 (https://echa.europa.eu/candidate-list-table).

All products delivered by Hela are approved for use in drinking water. And they are not registered in the data base of ECHA (https://echa.europa.eu/de/scip).

All materials used contain less than 4 % lead. Otherwise all the EU RoHS Requirements are met.

Also Heikki Laiho Oy declares that all products manufactured by the company do not contain substances included in the TSCA (Toxic Substances Control Act) restrictions or Universal PFAS restriction proposal requirements.
